

Pāli Noun Declension Table.

The endings in italics are rare and are mostly found in verses or later post-canonical Pāli. Consulted grammars: Ānanda Maitreyya, Buddhadatta, Duroiselle, Fahs, Geiger, Perniola, Warder, Wijesekera. This table can be printed with the Pāli Verbs Table on both sides of one A 4. sheet. The file can be freely copied and distributed for personal non-commercial purposes.
